June 25, 2011

Dear Potential Sponsors of the Dufferin Historical Museum Boyne School Relocation Project:

After many years of discussion and planning, the Dufferin Historical Museum has decided to work towards moving the former Boyne School into Carman to the museum area in King's Park. This project will allow us to showcase an important part of our history.

Our goal is to raise \$75,000 to complete foundation work, move and make repairs to the school. We are excited about this project and hope that you share our commitment to making this project happen.

Enclosed you will find outlined the levels that will enable you to be a part of this project. The sooner we raise the money the sooner we can complete this project, so please take some time to ponder this opportunity and contact me soon with questions and your commitment.

I hope you will see this project just as significant as previous worthwhile projects that have been completed in the community.

Yours truly,

Trish Aubin
Chairperson
Dufferin Historical Museum
